- Formulated as a mild, non-detergent cleanser that cleans & hydrates skin thoroughly without irritation.
- Is effective in removing superfluous cuticle.
- Preventing the blockage of important sebum secreting pores.
- Leaving your skin clean and moist.

Active ingredients:

Orchid extract, Tocopheryl Acetate, Ruscus Aculeatus Root Extract, Centella Asiatica Extract, Calendula Officinalis Flower Extract, Hydrolyzed Yeast Protein, Aesculus Hippocastanum(Horse Chestnut) Bark Extract, Chamomilla Recutita Flower Extract & Sodium Hyaluronate

3. **Toner**

- This lotion is suitable for all skin types even the most delicate skin.
- Toning, decongesting , smoothing, soothing and calming.

Active ingredients:

Glycerin, Cucumis Sativus (Cucumber) fruit extract, Aloe arborescence leaf juice, Rose extract, Mentha piperita leaf extract, Soluble collagen, Achillea millefolium extract, Melissa officinalis leaf extract, Alchemilla vulgaris extract, Veronica officinalis extract, Primula veris extract, Malva sylvestris extract & Allantoin.

4. **Exfoliate Gel**

- Gentle Subtilisin-

Exfoliate effectively to promote the metabolism of the skin.

- Multi Moisturizing factor-

Integrated such as Sodium Hyaluronate, Ceramide & Polyquaternium 51

- Natural plant extract-

It contained Cucumber Extract & Witch Hazel Extract which can calm, weaken and raise the skin comfortable.

- Yarrow extract infiltrated into the bottom layer of epidermis and strengthen the skin brightness.

- Cranberry extract

Nourishing and anti-oxidation.

Active ingredients:

Vaccinium Vitis Idaea(Cranberry), Sodium Hyaluronate, Xanthan Gum, Calcium Chlorid, Sodium Acetate, Subtilisin.

B. Creams, Gel & Essense

1. Cream Gel Moisturizer

- Gigawhite is from the natural plant extract, it can achieve to the medical level and safe whitening essence.
- Effectively weaken the melanin and remove dark spots.
- Containing multi-rejuvenating effects
- Hydrate skin instantly and diminish the appearance of fine lines & wrinkles with a aqua-balance film.
- To increase moisturizing performance and cell activation process by multi-essence.
- Improve skin elasticity and tightness

Active ingredients:

Gigawhite, Lumiskin, **Algae extract**, Camellia sinensis (**Green tea & white tea**) and etc...

2. Whitening Cream

DNA is an important factor in skin care. Anti-aging and anti-wrinkle depends on DNA to avoid damage to the skin. However skin whitening also depends on the control of DNA. DNA damage to the skin is also a major cause of darkened (pigmented) skin.

This cream contains a special active ingredient Biobenefit (Cynara Scolymus Leaf Extract) which contains Cynaropicrin, a DNA-adjusting and whitening factor. It has been proven to successfully inhibit DNA abnormalities.

With the DNA adjustments, dullness and dark spots caused by the formation of melanin can be improved. Skin whitening can be improved with this technology of DNA adjustments.

Main Ingredients:

Cynara Scolymus (Artichoke)Leaf Extract, **Persea Gratissima (Avocado)Oil**, Cetearyl Glucoside, Hydroxyethylcellulose, Isononyl Isononanoate, **Nymphaea Alba Flower Extract**, Fullerenes.

3. Whitening Day Cream SPF18

Using the principle of Endless White as the foundation, the cream with its major active ingredients are applied to decrease the appearance of heavy whiteness as seen in traditional physical sunscreen effectively blocking off melanin creating factor (UV rays). This day cream holds up an invisible umbrella for the skin, strengthens the immune system and protection ability.

The ingredient PHYTOSAN derived from soybeans counteracts biological and UV-induced premature aging. It protects the skin from UV-induced energy loss and stimulates skin regenerative functions.

Another ingredient REVITALIN stimulates cell respiratory activity, cell turnover, revitalizes cell metabolism and strengthen skin's self protection mechanism against UV light.

Lumiere (Diamond Powder), a natural extract fortified with a photoluminescent diamond powder that helps convert invisible UV light to blue light. This process illuminates a rejuvenating blue glow that helps decrease the appearance of wrinkles around the face and eyes.

Active ingredients:

Glycine Soja (Phytosan)Seed, Glycoproteins (Revitalin), Diamond Powder (Lumiere),

4. Rejuvenating Cream

An innovative cream to solve and ease hormonal aging. Hormonal aging caused the skin to lose firmness and radiance and loss of bust firmness and unexplained weight gain. It contains advance active ingredients that helps the skin to clear uneven skin tone and pigmentation caused by hormonal imbalance, reduce wrinkles, fine lines and treats dryness and dehydration.

This innovative cream can also be used for bust toning and rejuvenation and body slimming caused by hormonal imbalance.

This advance formula penetrates very well into the skin and visible results and improvement can be seen. Femininity and beauty to the skin can be restored.

Active ingredients:

Wild Yam Extract, Soybean Extract, Pueraria Marifica Extract, Squalane Oil, Vitamin E

5. **Eye Cream**

- Moisturize and restore the vitality and luminosity around the delicate eye contour area.
- Eases sign of puffiness and dark circles.
- Smooth fine lines and wrinkles.
- Firm and relax skin.

Active ingredients:

Healianthus Annuus Seed Oil, Pseudoalteromonas ferment extract, Hydroluzed collagen, Glycosaminoglycans, Glycerin, Hydrolyzed Gelatin & Persea Gratissima Oil.

6. **3D Cream with SPF18**

- Lightweight , sheer day cream is infused with comprehensive active ingredient to revivify skin against free radicals, smooth away fine lines, soothe skin and moisturize skin
- Combines the benefits of an illuminating tinted sun block for a slightly shimmering , radiant finish.

Active ingredients:

Mica, Pueraria Lobata Root Extract, Epidermal growth factor, Ceramide, Crataegus Oxyacantha Extract, Hyaluronic acid, Ubiquinone Q10, Squalane, Titanium Dioxide and etc.

7. **Smooth Whitening Cream**

A highly effect brightening formula which can improves whitening penetration, reduce pigmentation and melanin production, achieve deep whitening, and bring transparency to skin.

Active ingredients:

Fullerenes, Cynara Scolymus (Artichoke) Leaf Extract, Niacinamide (B3), Nelumbo Nucifera Flower Extract

8. Sunblock SPF30

Ultra Sun Protection cream not only protects skin against darkening and sun burn, more importantly it also protects against aging.

This cream combines physical and chemical sunblock mechanism providing skin a refreshing, burden-free and long-duration sun protection. It perfectly shields UV Rays and offers a comprehensive protection.

Active ingredients:

Blue DNA, Solanine III, Phytosam, Eusolex, UV-pearl, Fine TiO₂.

9. Whitening Cream (Dry/Dyhydrated Skin)

- Rich variety of whitening ingredients, arbutin, licorice sakuy leaf extract and etc. It can effectively inhibit tyrosinase, reduce melanin production, make your skin have whitening effect and improve the absorption of skin care products also to create dynamic & high purity transparent skin.

Active ingredients:

Alpha-arbutin, **Prunus Yedoensis Leaf Extract**, Sodium Hyaluronate, Butyrospermum, Dipotassium Glycyrrhizate, **Rosa Damanscena Flower Oil**.

10. Pimple Gel

It helps to regulate the production of sebaceous, purifies the skin by disinfecting acne/pimples, significantly prevents inflammation, pores congestion and effectively lightens pimple marks. Highly recommended for skin prone to oily and acne skin.

Active ingredients:

Water, Butylene Glycol, Glycerin, Propylene Glycol, **Leuconostoc/Radish Root Ferment Filtrate**, Hexylene Glycol, Niacin, Hydroxyethylcellulose, **Chamomilla Recutita (Matricaria) Flower Extract**.

11. Pimple Lotion

- Purifiers and Matifies the epidermis, normalizes sebum secretions.
- Helps in removing dark spots.
- Anti-bacteria
- Highly effective against acne

Active ingredients:

Sorbitol, **Kaolin, Zinc Oxide, Mica**, Camphor & **Menthol**.

12. Firming Spray Lotion

This product is a perfect maintenance component in all skin care products and suits all skin types (mature, dry or sensitive skins). It is moisturizing, whitening, firming, soothing and prevents the formation of fine lines.

Provide deep hydration to the skin, retain moisture between skin cells, boost skin renewal, raise skin's defense ability and maintain skin's normal mechanism.

It contain DayMoist, which is a natural plant derived ingredient (Hydrolysed Corn Starch) supporting the NMF (Natural Moisturising Factor) in arranging a high level of hydration in the outer layer of the skin. With Trealix, a hydrolysed yeast protein that stimulates the composition of NMF with its high content of polysaccharides, vegetable protein and amino acids that restore normal skin hydration. It is an emolient, hydrating, lenitive agent particularly for delicate skin.

Active ingredients:

DayMoist (hydrating), Alpha-Arbutin (whitening), Glycerin (moisturizing), Tranexamic Acid (whitening), Perfluorodecalin/Oxygen (oxygen), Simmondsia Chinensis Seed Oil (moisturizing), Ceramide 3 (hydration), Trealix (hydrating).

5. Hydrating Sheet Mask (Silk)

- Strong moisturizing and repair can solve the dryness.
- Highly concentrate of moisturizing and maintenance.
- Moisture-retention for whole day, raise the protective for the skin and keep healthy and glowing.
- Repair the consuming corneum and keep tender, vibrant, glowing and smoothen.

Active ingredients:

Sodium Hyaluronate, Hydroxyproline, Polyquaternium-51, Chamomile Extract, Sericin, Pseudoalteromonas Ferment Extract, Glycerin, Carrageenans, Glucose & Cucumber Extract.

6. Whitening Sheet Mask (Silk)

- Contains anti-oxidant polyphenolic, it immediately replenish moisture into skin with excellent anti-aging property.

- Collocated with more effective ingredient to help stimulate the skin's natural defense system and the abilities of moisture retention.
- Effective in whitening by inhibiting the activities of tyrosinase.
- Moisturizing, anti-bacteria, anti-aging and restore resilience skin.

Active ingredients:

Sodium Hyalurate, **Vitis Vinifera Extract**, **Mulberry Root Extract**, Glycerin, **Malva Sylvestris Root Extract**, Alchillea, and etc...

7. Peptide Sheet Mask (Silk)

- Highly transportation and absorb the moisture rapidly.
- Through the covering of Liposome, just like wearing a protecting coat, deeply into the skins and firming and resilient
- Also, gentle for the aging and youthful skin.
- Wake up the repair energy deeply and let brighten and smoothen in a short period.

Active ingredients:

Aloe Barbadensis Leaf Extract, **Saccharomyces Lysate Extract**, **Cucumber Extract**, Retinol, Sodium Hydraluronate, Rutin, Chitin and etc...

8. Bird's Nest Peptide Sheet Mask (Silk)

- Contains multi performance peptides which intensely nourish skin.
- Visibly reduces the appearance of fine lines.
- Skin becomes Firmer, Tighter & Radiant.

Benefits of Bird's Nest Peptide:

-Penetrates deeply into skin layers to promote blood circulation and enhance skin cell renewal to restore skin's radiance and elasticity

-Deeply nourishes skin, reduces dullness and restores luminosity

-Skin becomes smoother, brighter and more elastic for a radiant and youthful complexion.

Active ingredients:

Bird nest peptide.

9. Kombucha Sheet Mask

The main benefit is for skin-protecting and anti-aging abilities: it can help to protect the skin from dryness and redness due to cold weather and it also promotes skin regeneration and smoother skin surface by stimulating protein synthesis in the skin. More specifically, these proteins are type I and IV collagen and elastin, all super important stuff for wrinkle-free, young looking skin.

Active ingredients:

Xylitylglucoside, Xylitol, Glycosyl Trehalose, **Hibiscus Sabdariffa Flower Extract**, **Black Tea Ferment**, Dipotassium Glycyrrhizate, Sodium Hyaluronate, Pseudoalteromonas Ferment Extract.
